TO

*MY BELOVED FATHER
AND MOTHER*

Acknowledgment

I would like to express my deepest gratitude and feeling of indebtedness to my supervisors: *Prof. Dr. Nagwa M. Enany*, Professor of Orthodontics, and *Prof. Dr. Essam A. Abdallah*, Professor of Orthodontics, for their encouragement, valuable suggestions and constant support. Their valuable guidance and vast knowledge made this study a possible achievement.

I am sincerely thankful to *Prof. Dr. Samir Aboul-Azm*, Professor of Orthodontics, Faculty of Dentistry, Alexandria University for his true advice and support.

Special thanks to *Prof. Dr. Hassan Ismail*, Head of Orthodontic Department for his support.

I extend also my thanks to *Ass. Prof. Walid El-Kenany* for his great help in collecting the material of the study.

I extend my genuine appreciation to *all my Professors and Colleagues* in the Orthodontic Department, Faculty of Dentistry, Alexandria University for their sincere help and support.

I also convey my appreciation to the Department Secretary, *Mrs. Sanaa H. Saleh* who was always there for me whenever I needed her.

Finally, I wish to express my gratitude to my beloved *father and mother* for their continuous support and standing beside me throughout my work.
