Acknowledgment

I would like to express my deepest gratitude and sincerest thanks to **Prof. Dr. Saber Hamed Elsayed** Prof. and head of Ophthalmology department, Menoufyia University for the valuable supervision, kindness and encouragement he offered me through this work.

I wish also to express my appreciation to **Dr. Hassan Gamal El Din Farahat** Assist. Prof. of Ophthalmology, Menoufyia University for his skillful supervision and guidance.

I am greatly indebted to **Dr. Abd El Khalek El Sadeni** Assist. Prof. of Ophthalmology, Menoufyia University for the great efforts and valuable instructions he offered me to accomplish this work.

I wish also to thank **Dr. Amr Medhat Roshdy** who helped me to choose this subject.

Finally *I* would like to thank every member in the Ophthalmology department, Menoufyia University for their contribution to make this work come to light in its final form.

Ehab Abd El Fattah
