Architectural Engineering Department

Impact of Interior Morphology on the Response of Space Perceivers

A Thesis submitted in partial fulfillment of the requirements of the degree
of Master of Science in Architectural Engineering

By

Arch. Moamen Nasser Abdallah Mostafa

Bachelor of Science in Architectural Engineering
Faculty of Engineering, Ain Shams University, 2017

Supervised by

Prof. Shaimaa Mohammad Kamel

Professor of Architecture

Faculty of Engineering, Ain Shams University

Asst. Prof. Haitham Abdelsalam Mohamed

Assistant Professor of Architecture

Faculty of Engineering, Ain Shams University

Cairo, 2022

Ain Shams University
Faculty of Engineering
Department of Architectural Engineering

Name: Moamen Nasser Abdallah Mostafa

Thesis Title: Impact of Interior Morphology on the Response of Space Perceivers

Degree: Master of Science Degree in Architectural Engineering

Examiners' Committee:

Title, Name and Affiliation	Signature
Prof. Ahmed Farid Hamza Professor of Architecture Department of Architectural Engineering Faculty of Engineering in Shoubra Benha University
Prof. Muhammad Ibrahim Gabr Professor of Architecture Department of Architectural Engineering Faculty of Engineering – Ain Shams University
Prof. Shaimaa Mohammad Kamel Professor of Architecture Department of Architectural Engineering Faculty of Engineering - Ain Shams University (Supervisor)

Statement

This thesis is submitted as a partial fulfilment of Master of Science in Architectural Engineering Department, Faculty of Engineering, Ain Shams University.

The author carried out the work included in this thesis, and no part of it has been submitted for a degree or a qualification at any other scientific entity.

Student Name

Moamen Nasser Abdallah Mostafa

Researcher Data

Name	: Moamen Nasser Abdallah Mostafa
Date of birth	: 1/2/1994
Place of birth	: Cairo, Egypt
Last academic degree	: B.Sc.
Field of specialization	: Architectural Engineering
University issued the degree	: Ain Shams University
Date of issued degree	: 9/19/2017
Current job	: Teaching Assistant at Architectural Engineering Department, Faculty of Engineering, Ain Shams University

Acknowledgement

First and foremost, I am very grateful to Allah for granting me these countless blessings, opportunity, knowledge and persistence to finally be able to complete my thesis.

Second, I would like to show my deepest appreciation to ***Prof. Shaimaa Kamel*** my thesis supervisor for her continuous support along this journey from the start of my premaster's courses and her magnificent academic guidance and encouragement till the completion of my thesis.

I would also love to thank ***Asst. Prof. Haitham Abdelsalam*** my thesis's supervisor for his academic support through my path. I am very grateful for all his advices and motivation that helped me during my thesis and guided me to finish it.

To my beloved parents, ***my father and mother***, I am really grateful to all your support you have given me all my life to reach this degree and made me who I am. To ***my lovely sister*** who has stood by my side along this path.

An enormous appreciation to the efforts of ***Prof. Hanan Sabry*** who guided me through this the challenges of this thesis.

Finally, I would love to thank all ***my friends and colleagues*** who helped me along my way in various ways.

List of Publications

Engineering Research Journal (**EJR**), Faculty of Engineering – Mataria, Helwan University. The paper “Interior Morphology and The Response of Space Perceivers” was published in the Journal Issue (Volume 182, December 2021).

Introduction

I. Overview	3
II. Gap of Studies.....	4
III. Problem Definition	5
IV. Hypothesis	5
V. Delimitations	5
VI. Main Aim	6
VII. Secondary Objectives.....	6
VIII. Methodology.....	6
IX. Thesis Structure.....	8

Chapter 1: Interior Morphology Preference

1.1 Introduction.....	14
1.2 Interior Setting Morphology	15
1.3 Interior Setting Contour preference & Preference Measurement	17

1.3.1	Emotional Measurement Approach	18
1.3.2	Neuroscientific Measurement Approach	21
1.4	Architecture Experience & Expertise Level.....	26
1.5	Discussion & Conclusion	28
1.5.1	Discussion	28
1.5.2	Conclusion.....	31
Chapter 2: Contour Typology Preference		
2.1	Introduction.....	36
2.2	Contour preference Emergence.....	36
2.3	Latest Findings in Contour Typology preference.....	38
2.4	Discussion & Conclusion.....	48
2.4.1	Discussion	48
2.4.2	Conclusion.....	50
Chapter 3: Exhibition space: Experience & Morphology		
3.1	Introduction.....	55
3.2	Exhibition space Emergence	55
3.2.1	Historical Emergence	55
3.2.2	Modern Exhibition spaces	57
3.3	Exhibition Space Experience	59
3.3.1	Dimensions of Aesthetic Experience.....	60
3.3.2	Contextual Model of Learning	60
3.3.3	Four Experience Dimensions.....	61
3.3.4	Service-Scape & Restoration.....	62
3.4	Exhibition Space Morphology	63
3.4.1	Rectilinear Contours.....	64
3.4.2	Curved Contours.....	67
3.4.3	Angular Contours	70
3.5	Conclusion	73
