بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

قَالُوا

سُبْحَانَكَ لَا عِلْمَ لَنَا إِلَّا بِمَا عَلَّمْتَنَا
إِنَّكَ أَنْتَ الْعَلِيمُ الْحَكِيمُ

صَدَقَ اللَّهُ الْعَلِيمُ

الآيَةُ (٢٢) سُورَةُ الْبَقَرَةِ

Acknowledgment

First and far most, I feel always indebted to God the kind and merciful.

I would like to express my deep thanks to all those who contributed by giving their time, efforts and encouragement to fulfillment of this work.

My sincere gratitude and appreciation to Prof. Dr. Mounir Abu El-Ela, Professor of Surgical Oncology, National Cancer Institute, Cairo University, for his fruitful criticism and continuous encouragement.

My deepest thanks and sincere appreciation to Dr. Nawal Soliman, Professor of Community and Environmental Health Nursing, Higher Institute of Nursing, for her unlimited help and valuable guidance.

I would like also to express my great gratitude to Dr. Nadia Yanni Seif, Lecturer of Community and Environmental Health Nursing, Higher Institute of Nursing who guided me through this work and to everyone helped me.

I would like to express my gratitude to Dr. Nagowa El-Katab. in National Cancer Institute, for their cooperation to study

I would like to express my gratitude to the patients and all the workers in National Cancer Institute, for their cooperation to study.

Last but not least, My special gratitude to my husband, children my brothers and sisters for their tolerance and sustained moral support.

Samira Ahmed Ali
