صدق الله العظيم

## ***Acknowledgment***

I would like to express my deepest thanks and sincere appreciation to **Dr. Noha Samir Kabil**, professor of Pediatric Dentistry and Dental Public Health, Faculty of dentistry, Ain Shams University for her great efforts, real support, constructive comments and valuable guidance throughout the course of this work.

I would also like to thank **Dr. Mariem Osama Wassel**, Assistant Professor of Pediatric Dentistry and Dental Public Health, Faculty of Dentistry, Ain Shams University for her tremendous efforts and massive support.

I would like to thank **Dr. Marwa Shabaan**, Assistant Professor of Medical Microbiology and Immunology, Faculty of Medicine, Ain Shams University for her efforts, and guidance throughout the course of this research.

Finally my deepest thanks to all the children and their mothers who participated in this study and their valuable cooperation.

I would like to express my thanks to all professors and colleagues in Pediatric Dentistry and Dental Public Health Department, Faculty of Dentistry, Ain Shams University for their continuous support and cooperation.

# ***Dedication***

*This study is wholeheartedly dedicated to my beloved mother and father, who have been my source of inspiration and gave me strength when I thought of giving up, who continually provide their moral, spiritual, emotional, and financial support.*

*To my brother, sister and sister-in law for their encouragement.*

*To my grandmother for being my first teacher.*

*To my beloved husband for his unconditional love and support he provided me to finish this study.*

*And last but not least for my beloved daughter Dalida and my lovely son Mousa*
