"Evaluation of Fracture Resistance of Anterior Minimally Invasive Cubic Zirconia Restorations"

(In vitro Study)

Thesis submitted to the Faculty of Dentistry, Ain Shams University

For

**Partial Fulfillment of Requirements of the Doctorate degree
in Fixed Prosthodontics**

By

Omar Hussein Mohamed Abdelbary

Assistant Lecturer of Fixed Prosthodontics, Future University

(B.D.S, Ain Shams University-2003, M.D.Sc, Ain Shams University-2015)

**Faculty of Dentistry
Ain Shams University
2021**

Supervised By

Dr. Marwa Mohamed Wahsh

Professor of Fixed Prosthodontics

Faculty of Dentistry, Ain Shams University

Dr. Amr Saleh El-Etreby

Associate Professor of Fixed Prosthodontics

Faculty of Dentistry, Ain Shams University.

بسم الله الرحمن الرحيم

{قالوا سبحانك لا علم لنا إلا ما علمتنا
انك أنت العليم الحكيم}

صدق الله العظيم

سورة البقرة {32}

Acknowledgement

I am greatly honored to express my thanks and deep gratitude to **Dr. Marwa Mohamed Wahsh** Professor of Fixed Prosthodontics, Ain Shams University, for her valuable guidance and support throughout this work. I benefited greatly from her experience and knowledge.

I would like to express my deepest gratitude to **Dr. Amr Saleh El-Etreby**, Associate Professor of Fixed Prosthodontics, Ain Shams University, for his meticulous advice and valuable comments throughout the work. I really appreciate his effort and support

Finally, I would like to thank all staff members of fixed prosthodontics department, Future University for their help and encouragement during the course of this work.

To the soul of my father

To my daughters

**To my mother, my wife,
and my brother**
