Effect of Drinking Distilled Water versus Tap Water on Interdialytic Weight Gain in Patients with Chronic Renal Failure under Hemodialysis

**Thesis Submitted for Partial Fulfillment
of Master Degree in Internal Medicine**

BY

Ehab Mahmoud Osman

M.B.B.Ch.

Supervised By

Prof. Dr. Badawy Labib Mahmoud

Professor of Internal Medicine and Nephrology

Faculty of Medicine - Ain Shams University

Prof. Dr. Ibrahim Ahmed Abd Allah

Professor of Internal Medicine and Gastroenterology

Faculty of Medicine - Ain Shams University

Dr. Khaled Hamdy Abdel Mageed

Lecturer of Internal Medicine

Faculty of Medicine - Ain Shams University

Acknowledgment

Thanks to **God** who offered me the ability to perform this work.

Words can never express my hearty thanks to **Prof. Dr. Badawy Labib Mahmoud**, Professor of Internal Medicine and Nephrology, Faculty of Medicine, who has kindly supervised this thesis. I am deeply indebted to him for giving me all the facilities to complete this work.

I wish to express my deepest appreciation and respect to **Prof. Dr. Ibrahim Ahmed Abd Allah**, Professor of Internal Medicine and Gastroenterology, Ain Shams University. Without his kind supervision and continuous support, this work would not have been accomplished.

I would like to express my deepest gratitude to **Dr. Khaled Hamdy Abdel Mageed**, Lecturer of Internal Medicine, Ain Shams University, for his continuous advice, encouragement, and meticulous follow-up of this work.

I am also sincerely thankful to **Dr. Abdel Razek Dessouki Mahmoud**, Fellow of Internal Medicine and Nephrology, Ain Shams University Hospitals, for his continuous advice and great help in fulfilling the practical part of this work.

Ehab Mahmoud

List of Abbreviations

ACE	:	Angiotensin\converting enzyme
ADH	:	Antidiuretic hormone
Ca	:	Serum calcium
CRF	:	Chronic renal failure
EPO	:	Erythropoietin
ESRD	:	End stage renal disease
HD	:	Hemodialysis
K	:	Serum potassium
KUF	:	Ultrafiltration coefficient
MABP	:	Mean arterial blood pressure
MAC	:	Mid-arm circumference
Na	:	Serum sodium
P	:	Serum phosphorus
QF	:	Ultrafiltration rates
RO	:	Reverse osmosis
TMP	:	Transmembrane pressure
Wt.	:	Body weight
