ACKNOWLEDGEMENT

First and Formost, I thank ALLAH.

I would like to express my deep gratitude and appreciation to Professor Dr. **Zeinab Abd El-Aal Abd El-Hafez**, Professor of Clinical Pathology, Faculty of Medicine, Assiut University for her suggesting and planning of this subject, for her patience, encouragement, persistent support and for her valuable time which she devoted for me.

I am profoundly grateful to Dr. **Hanan Harith Abd El-Latif**, Assistant Professor of Clinical Pathology, Faculty of Medicine, Assiut University, for her continuous and valuable guidance, fruitful discussion and for the benefit of her experience and knowledge.

I would like to thank Dr. **Taha Zaky Mahran**, Assistant Professor of Therapeutic Radiology, Assiut University Hospital, for his great help and continuous guidance throughout the whole work.

I am also thankful to Dr. **Sohair Mohamed**, Assistant Professor of Clinical Pathology, Faculty of Medicine, Assiut University, for valuable time she spent for this work.

Summer Mohamed Galal
