2019**

# Acknowledgement

*First and foremost, I feel always indebted to Allah to whom I relate any success in achieving any work in my life.*

*I am deeply grateful to Dr. Harisa Mohamed El-Shiemy, Professor of Nursing Administration, Faculty of Nursing, Ain Shams University, for her prompt and thought provoking responses to my questions and for allowing me the freedom to work independently yet keeping me focused on the task at hand, I greatly acknowledge her continuous encouragement and moral support. It was really an honor working under her wonderful supervision and for all her valuable efforts to produce this thesis. I cannot possibly convey words of my great appreciation for her great faithful effort in supervision during the progress of this work without her valuable instructions this work would never have been done.*

*It is with great pleasure, deep satisfaction and gratitude that I acknowledge the help of Dr. Samah Mohamed El-Sayed, Lecturer of Nursing Administration, faculty of nursing, Ain Shams University, for her unlimited help, effort, support, guidance and for the time she devoted to me in this work, I would not have been able to start and continue this work without her help.*

*Words can never express my hearty thanks and respect to all my professors who taught me the meaning of courage, and gave me a lot of knowledge, experience and time.*

*Alyaa Omer Abd El Rahim*

# *Dedication*

*I would like to dedicate this thesis to*

*Soul of My Father*

*For his love, care, support and encouragement  
that allowed me to accomplish this work,*

*I am grateful to my friends and my family  
especially my father, my mother, my brother and my  
sister for their all love and respect for their co-  
operation.*

*Alyaa Omer Abd El Rahim*
