سورة البقرة الآية: ٢٢

Acknowledgments

First, and foremost, my deepest gratitude and thanks should be offered to **"ALLAH"**, The Most Kind and Most Merciful, for giving me the strength to complete this work.

I would like to express my sincere gratitude to **Dr./ Hanaa Abdel Hakim Ahmed**, Professor of Community Health Nursing, Head of department Community Health Nursing, Faculty of Nursing – Ain Shams University, for her continuous support and guidance for me to present this work. I'm really honored to work under her generous supervision.

I acknowledge with much appreciation and gratitude to **Dr. Hala Mohammed Mohammed**, Assist Professor Prof. of Community Health Nursing, Faculty of Nursing – Ain Shams University, for her great supervision and unlimited help to provide all facilities to accomplish this work. I acknowledge with much gratitude to **Dr. Abdallah Elhusseiny Shelil**, Consultant of Ophthalmology, Children Cancer Hospital 57357, Prof of Ophthalmology, Al Azhar University, for his great supervision and unlimited help to provide all facilities to accomplish this work. Last but not least, thanks to **the parents and their children**, for helping me to finish this work. Last but not least, thanks to **my Parents** and **my Family**, for helping me to finish this work.

 **Sozan Saad**
