MONA MAGHRABY

Ain Shams University
Faculty of Women for
Arts, Science and Education
Physics department

Preparation and characterization of biosilicate composites for drug delivery applications

A Thesis
Submitted for Partial Fulfilment of the Requirements for The Master Degree of Science (M. Sc.)

In Biophysics

Presented *by*
Noha Mustafa Abd Elazeem
(Noha M. Abdelazeem)
Demonstrator of Biophysics
B.Sc. 2013

Supervisors

Prof. Dr. / Hosnia Mohamed Abu-Zeid
Professor of Nuclear Physics**,** Physics Department, Faculty of Women for Arts, Science and Education, Ain Shams University.

Prof. Dr. / El-Sayed Mahmoud El-Sayed Soliman
Professor of Biophysics**,** Physics Department, Faculty of Science, Ain Shams University.

Prof. Dr. / Sherief Mohamed Ahmed Abo-Naf
Professor of Materials Science and Technology, Glass Research Department, National Research Centre.

Student name: Noha Mustafa Abdelazeem Farag Ali

Scientific Degree: B. Sc.

Department: Physics

Name of faculty: Faculty of Women

University: Ain Shams University

B. Sc. Graduation year: 2013

M. Sc. Graduation year: 2021

Dedicated to

My Mother

May Allah have mercy on her

ACKNOWLEDGMENT

First and foremost, I must acknowledge my infinite thanks to Allah the almighty, for his help and bless.

***Prof. Hosnia Mohamed Abu-Zeid**, words would not be enough to express how grateful I am for your guidance and insightful comments that brought this work towards completion.*

*I owe a deep debt of gratitude and sincere thankfulness to **Prof. El-Sayed Mahmoud El-Sayed Soliman**, for his open door always, encouragement, motivation, support, guide, immense knowledge, and patience throughout the journey.*

*To **Prof. Sherief Mohamed Ahmed Abo-Naf**, I am immensely appreciative of steering me in the right direction, guide, immense knowledge, sharing expertise, and valuable supervision.*

*I would like to thank **Dr. Ahmed El-Fiqi**, for his participation and insightful scientific vision in this project.*

*I am pleased to express My deep appreciation to thank **"Nanotechnology and Advanced Materials Central Lab, Agricultural Research Centre"**, a great place to work and for providing the facilities required to complete my thesis.*

*The One in whom I have placed My dream on his shoulder, and accommodate My hope with his humanitarian. **At that time, I believed that Allah was the master of the situation.** He is "**Prof. Khaled Yehia Farroh**" Head of Nanotechnology and Advanced Materials Central Lab, Agricultural Research Centre.*

*I would like to express my deep-felt thanks and gratitude to My dear "**Prof. Gamal Abdel Aziz Meligi**" professor of Organic Chemistry, Chemistry department, Faculty of Science Ain Shams university, for his support, encouragement, patience, guide, motivation, and immense knowledge throughout the master journey.*

*Special thanks go to the head of the physics department **Prof. Manal Sirag and lovely Biophysics group.***

I am pleased to whom help, guided, support me in microbiology tests ***Dr. Kareem Abdo, Dr. Hesham Elshoky, and Dr. Heba Elzorkany.***

A lot of thanks to my lovely one who helped me in a lot of situations in my biological tests ***Madam Badr Sobh Elsayed****.*

Thanks to Microbiology and Immunology Department, Faculty of Medicine El Kaser El Ainy.

I would like to express my deep-felt thanks to ***Mr. Kareem El-Wakeel and Mr. Abed Ahmed*** *IT manager and Web-Designer for their help.*

I owe deep thanks to my dear ***uncle Prof. Hossam El deen Samir*** *and* ***aunt Prof. Hoda Ali Nour Eldeen*** *to encourage and help me in a lot of situations in my life. Lovely thankfulness with deep gratefulness to my* ***grandmother****,* ***grandfather****,* ***DaD, uncle Montaser, uncle Atef, aunt Heba, My cousins and My family.***

I would like to express my deep-felt thanks to ***our family friend Dr. Ahmed Diab*** *who helped me in a lot of situations in this project.*

Special thanks with lovely gratefulness to my best friends, ***Dr. Basma El Assy, Raghda Ibrahim, and Alaa Rabiea.***

"It's not every day that I take the time to let my Mum know how grateful I am for everything she has done for me. So I owe deep thankfulness to my Mum for her efforts and love. All that I am, or hope to be, I owe to ***My Mum****".* ***May Allah have mercy for My Mother***
