بسم الله الرحمن الرحيم

"وَقَضَىٰ رَبُّكَ أَلَّا تَعْبُدُوا إِلَّا إِيَّاهُ
وَبِالْوَالِدَيْنِ إِحْسَانًا إِمَّا يَبُلُغَنَّ عِنْدَكَ الْكِبَرَ
أَحَدُهُمَا أَوْ كِلَاهُمَا فَلَا تَقُلْ لَهُمَا أَفٍّ وَلَا
تَنْهَرُهُمَا وَقُلْ لَهُمَا قَوْلًا كَرِيمًا (٢٣)
وَاخْفِضْ لَهُمَا جَنَاحَ الذُّلِّ مِنَ الرَّحْمَةِ وَقُلْ
رَبِّ ارْحَمْهُمَا كَمَا رَبَّيَانِي صَغِيرًا (٢٤)"

صدق الله العظيم

(الإسراء ٢٣، ٢٤)

Acknowledgement

First, and foremost, my deepest gratitude and thanks should be offered to "**ALLAH**", the most Kind and most Merciful, for giving me the strength to complete this work,

I acknowledge with much gratitude to **Dr. Sabah Abdel Mobdy Radwan**, Professor of Community Health Nursing, Faculty of Nursing – Ain Shams University, for her great supervision and unlimited help to provide all facilities to accomplish this work,

I would like to express my sincere gratitude to **Dr. Magda Abd-EL-Sattar Ahmed**, Assistant Professor of Community Health Nursing, Faculty of Nursing – Ain Shams University, for her continuous support and guidance for me to present this work. I'm really honored to work under her generous supervision.

I acknowledge with much gratitude to **Dr. Nadia Hamed Farahat**, Assistant Professor of Community Health Nursing, Faculty of Nursing – Ain Shams University, for her encouragement and great help in this work,

Last but not least, thanks to **my Parents** and **my Family** for helping me to finish this work,

✍️ **Azza Saied Ahmed Zaied**
