Acknowledgement

*Thanks to **ALLAH** who have lightened my path to accomplish this work,*

The few words I wrote here can never and can't adequately express the feelings of gratitude; I have for my supervisors and the persons, who helped me to achieve this work. If I am to vote the heartiest thanks, it is to;

*I am deeply grateful to **Prof. Dr. Magda Abdel Sattar**, Professor of Community Health Nursing, Faculty of Nursing, Ain Shams University, for her prompt and thought provoking responses to my questions and for allowing me the freedom to work independently yet keeping me focused on the task at hand, I greatly acknowledge her continuous encouragement and moral support. It was really an honor working under her wonderful supervision and for all her valuable efforts to produce this thesis. I cannot possibly convey words of my great appreciation for her great faithful effort in supervision during the progress of this work without her valuable instructions this work would never have been done.*

*It is with great pleasure, deep satisfaction and gratitude that I acknowledge the help of **Dr. Shiemaa Fathy Miky**, Lecture of Community Health Nursing, Faculty of Nursing, Ain Shams University, for her unlimited help, effort, support, guidance and for the time she devoted to me in this work, I would not have been able to start and continue this work without her help.*

I would like to express my deepest thanks to all who helped me by time, effort and spirit in fulfilling this work especially my friend walaa biomy

Special acknowledgments to my lovely parents and sister, husband for their help every time. I would not be able to go through my work without them.

Last but not least, my deepest gratitude and thanks to all my friends.

Asmaa Mohamed Abo Elnaga

Dedications

I would like to dedicat this thesis to

***My Parents,
Sisters
and Husband***

*for their love, care, support and
encouragement that allowed me to
accomplish this work*
