Faculty of Science
Entomology Department

Evolutionary Profile of Family Calliphoridae (Diptera) and Expected Future Distribution of *Chrysomya bezziana* Under Different Climatic Change Scenarios

A Thesis

**Submitted for the degree of Doctor of Philosophy in Science
(Entomology)**

By

Eslam Mohamed Hosny Mostafa
(M.Sc.)

Assistant lecturer in Entomology Department, Faculty of Science,
Ain Shams University

Supervisors

Mohamed Amin Kenawy

Professor of Medical Entomology, Entomology Department,
Faculty of Science, Ain Shams University

Magda Hassan Abdul Aziz Rady

Professor of Entomology (Molecular Biology),
Entomology Department,
Faculty of Science, Ain Shams University

Mohamed Gamal El-den Nasser

Lecturer, Entomology Department,
Faculty of Science, Ain Shams University

(2020)

Evolutionary Profile of Family Calliphoridae (Diptera) and Expected Future Distribution of *Chrysomya bezziana* Under Different Climatic Change Scenarios

A Thesis

**Submitted for the degree of Doctor of Philosophy in Science
(Department of Entomology, Faculty
of Science, Ain Shams University)**

By

**Eslam Mohamed Hosny Mostafa
(M.Sc.)**

Assistant lecturer in Entomology Department, Faculty of Science,
Ain Shams University

Supervisors

Dr. Mohamed Amin Kenawy

Professor of Medical Entomology, Entomology Department,
Faculty of Science, Ain Shams University

Dr. Magda Hassan Abdul Aziz Rady

Professor of Entomology (Molecular Biology),
Entomology Department,
Faculty of Science, Ain Shams University

Dr. Mohamed Gamal El-den Nasser

Lecturer, Entomology Department,
Faculty of Science, Ain Shams University

(2020)

Thesis Examination Committee

1. Dr. Salwa Said Rashed

Professor of Entomology, Zoology Department, Faculty of Science,
Zagazig University.

2. Dr. Abdelaziz Shabaan Abdelbaqy

Professor of Parasitology, Zoology Department, Faculty of Science,
Beni Suef University.

3. Dr. Mohamed Amin Kenawy

Professor of Medical Entomology, Entomology Department, Faculty
of Science, Ain Shams University.

4. Dr. Magda Hassan Abdul Aziz Rady

Professor of Entomology (Molecular Biology), Entomology
Department, Faculty of Science, Ain Shams University.

Supervisors:

Dr. Mohamed Amin Kenawy

Professor of Medical Entomology, Entomology Department,
Faculty of Science, Ain Shams University

Dr. Magda Hassan Abdul Aziz Rady

Professor of Entomology (Molecular Biology),
Entomology Department, Faculty of Science, Ain Shams University

Dr. Mohamed Gamal El-den Nasser

Lecturer, Entomology Department, Faculty of Science, Ain Shams
University

Approval Sheet

Title of Thesis:

**Evolutionary Profile of Family Calliphoridae (Diptera) and
Expected Future Distribution of *Chrysomya bezziana* Under
Different Climatic Change Scenarios**

A Thesis Submitted for awarding the degree of Doctor of Philosophy
in Science (Entomology)

By

Eslam Mohamed Hosny Mostafa

(M.Sc.)

Assistant lecturer in Entomology Department, Faculty of Science,
Ain Shams University

**This Thesis for a Ph.D. degree in Science (Entomology) has been
approved by:**

Dr. Salwa Said Rashed

Professor of Entomology, Zoology Department, Faculty of Science,
Zagazig University.

Dr. Abdelaziz Shabaan Abdelbaqy

Professor of Parasitology, Zoology Department, Faculty of Science, Beni
Suef University.

Dr. Mohamed Amin Kenawy

Professor of Medical Entomology, Entomology Department,
Faculty of Science, Ain Shams University

Dr. Magda Hassan Abdul Aziz Rady

Professor of Entomology (Molecular Biology), Entomology
Department, Faculty of Science, Ain Shams University.

Examination Date: / / 2020

Approval Date: / / 2020

BIOGRAPHY

Name: Eslam Mohamed Hosny Moustafa.

Degree Award: M.Sc. (Entomology).

Department: Entomology.

Faculty: Science.

University: Ain Shams University.

Date of Graduation: June 2010.

Date of Appointment: April 2011.

Occupation: Assistant lecturer, Department of
Entomology, Faculty of Science,
Ain-shams University.

Date of Registration for Ph.D. degree: 9 /10/ 2017.

Dedication

*I am pleased to dedicate this
work to my beloved parents,
sister, wife, daughter and
people who I missed them*

U. Yousr M. Abdel- Hady

U. Khaled Moustafa Ammar

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

و علمك ما لم تكن تعلم وكان فضل
الله عليك عظيما

صدق الله العظيم

ACKNOWLEDGMENT

First, thanks to “ALLAH” to whom I relate any success in achieving any work in my life.

*It is great pleasure to express my deep thanks and sincere gratitude to, **Prof. Dr. Mohamed A. Kenawy**, Professor of Medical Entomology, Faculty of Science, Ain Shams University for his continuous supervision, helpful suggestion, reading the manuscript, criticizing the results. Also, he was after every step by his enthusiastic guidance and his continuous encouragement which made this work possible.*

*My deep thanks and everlasting gratitude go to **Prof. Dr. Magda H. Rady**, Professor of Entomology, Faculty of Science, Ain Shams University for her help, valuable advice, keen supervision, encouragement and all facilities offered during the investigation, the preparation of this manuscript, and completion of this study.*

*I am greatly thankful for **Dr. Mohamed Gamal**, Doctor of Entomology, Faculty of Science, Ain Shams University for his innovation, continuous supervision, helpful suggestions, constructive criticism, wise advice, and continuous encouragement.*

*Thanks, are also passed to **Dr. Sara A. Elashaal** Lecturer of Entomology, Faculty of Science, Ain Shams University for her assistance in data analysis in chapter two and supporting with important literature.*

ACKNOWLEDGEMENT

*Thanks, and gratitude for **Prof. Adrian Pont** Oxford University Museum of Natural History, Oxford, UK, Specialized in Diptera for revising chapter two and **Prof. Boris C. Kondratieff** Director, C. P. Gillette Museum of Arthropod Diversity Colorado State University for language editing and revision of chapter three.*

*Also, thanks passes to **Prof. Martin Hall** Natural History Museum, London and Head of Parasites and Vectors Division for supporting as with some literatures which helped us in our work,*

*Gratitude to **Dr. Muhammad Naeem**, Institute of Apicultural Research Beijing, China for helping in some analysis in chapter three.*

*Extended thanks to the Head of Entomology Department **Prof Ragaa El-Mohamady Hammad** and Entomology Department members for supporting and encouragement.*
