All thanks
to
ALLAH
Great of all
for the
countless
gifts I have
been offered

A decorative border surrounds the text, featuring stylized floral motifs, leaves, and a butterfly. The border is composed of two vertical stems on the left and right, connected at the top and bottom by a wide, flowing ribbon-like element. The stems are adorned with various flowers and leaves, and a butterfly is positioned near the top left and bottom right corners.

To my dear husband

To my mother
(the great love)

To my lovely baby
