Home Self-Care for Client with Hemodialysis

Thesis

*Submitted for Partial Fulfillment of the Doctorate
Degree of Nursing Science
(Community Health Nursing)*

By

Sabah Fawzy Bassiouny Whdan

*Master degree in Community Health Nursing
Menofia University (2012)*

*Faculty of Nursing
Ain Shams University
2017*

Home Self-Care for Client with Hemodialysis

Thesis

Submitted for Partial Fulfillment of the Doctorate

Degree of Nursing Science

(Community Health Nursing)

Under Supervision

Prof. Dr. Nawal Mahmoud Soliman

Professor of Community Health Nursing

Faculty of Nursing - Ain shams University

Prof. Dr. Suheir A.H. Mekhemar

Professor of Community Health Nursing

Faculty of Nursing - Ain shams University

Ass. Prof. Dr. Hemat Abd El-Moneem

Assist. Prof. of Community Health Nursing

Faculty of Nursing - Ain shams University

*Faculty of Nursing
Ain Shams University*

2017

My thanks are submitted first to **ALLAH** who gave me the strength and ability to complete this work.

It is a great pleasure to express my deepest gratitude and thanks to the faculty of Nursing, Ain Shams University, for giving me the opportunity to pursue my postgraduate studies.

I am deeply grateful to *Prof. Dr. Nawal Mahmoud Soliman*, professor of Community Health Nursing, Faculty of Nursing, Ain Shams University,. I am indebted to help and for giving me privilege, to work under her supervision, I appreciate her active participation in providing me with a lot of knowledge.

I wish also, to express my great thanks and sincere appreciation to *Prof. Dr. Suheir A.H. Mekhemar* Professor of Community Health Nursing, Faculty of Nursing, Ain Shams University, for her support, guidance, I am indebted to her direction.

I would like to express my deep appreciation to *ASS. Prof. Hemat Abd El-Moneem*, Assistant Professor of Community Health Nursing, Faculty of Nursing, Ain Shams University, for her support and assistance through this work I am indebted to her direction.

I wish to express my hearty gratitude and thankfulness extended to my father, my mother, my husband, my children for their love and caring and my friends for constant love, and help thought the period of the study.

Finally. I thank all those who shared directly or indirectly in the accomplishing this work.

Sabah Fawzy Bassiouny Whdan
