ACKNOWLEDGMENT

The author wishes to express his sincere appreciation to **Prof. Dr. Mahmoud M. Mostafa**, Professor of Food Science and Technology Department, Faculty of Agriculture, Menoufia University, Shebin El-Kom, for suggesting the problem, his supervision and encouragement during the course of investigation.

The author also wishes to express his gratitude to **Dr. Tarek A. El-Adawy**, Associate Professor of Food Sci. and Tech. Dept., Faculty of Agric., Menoufia University, Shebin El-Kom for his supervision and guidance.

The authors also thanks **Dr. Habashy N. Habashy**, Associate Professor of Food Technology Research Institute, Agricultural Research Center for his continuous help and advice through out the course of investigation.

Sincere thanks and gratitude are extend to all staff of Horticultural Crops Processing Research Department, Food Technology Research Institute, Agricultural Research Center, for their help and encouragement.

Thanks and appreciation to all staff of **International Food Industry, Golden Frites**, at El-Obour City, for their co-operation and facilities offered to me through out the preparation of my thesis.
