ACKNOWLEDGEMENT

ACKNOWLEDGEMENT

It is with pleasure that I express my cordial thanks and sincere gratitude to **Prof. Dr. Adel Mohamed Soliman**, Prof. of Poultry Diseases, Faculty of Veterinary Medicine, Assiut University, for his keen supervision and continuous support. His kind advice and constructive criticism enabled me to complete this work.

I wish to express my deep appreciation, sincere gratitude and profound respect to **Dr. Mohamed Mahmoud Aly**, Assistant Prof. of Poultry Diseases, Faculty of Veterinary Medicine, Assiut University. His helpful suggestions and continuous encouragement gave a great support to fulfill this work and put it into light.

I'd like to acknowledge gratefully **Dr. Ragab Said Ibrahim**, Lecturer of Poultry Diseases, Faculty of Veterinary Medicine, Assiut University, for his sincere help and kind assistance in the experiment of SDS-PAGE and its interpretation.

It is my pleasure to forward thanks to **Dr. Muhammad Mubarak**, Lecturer of Veterinary Pathology, Faculty of Veterinary Medicine, Assiut University, for his kind help in the performance and interpretation of histopathology and electron microscopy.

I'm greatly indebted to **Prof. Dr. Janet. M. Bradbury**, Department of Veterinary Pathology, University of Liverpool, Leahurst, Neston, South Wirral, UK, for supplying reference strain and papers and for advice and contact all along.

Grateful thanks are due to **Prof. Dr. Stanley H. Kleven** and **Mrs. Victoria Leiting**, Department of Avian Medicine, College of Veterinary Medicine, University of Georgia, Athens, Georgia, USA, for supplying reference antiserum and papers.

My greatest appreciation is due to **Prof. Dr. Salah A. Mousa**, Prof. of Poultry Diseases, Faculty of Veterinary Medicine, Assiut University, for his kind support and critical revision of this work.

I acknowledge gratefully **Prof. Dr. Mostafa Saif-Edin**, Prof. of Poultry Diseases, Faculty of Veterinary Medicine, Assiut University, for his faithful help and continuous encouragement.

Also, I wish to express my thanks to all staff members and workers in the Department of Poultry Diseases, Faculty of Veterinary Medicine and Electron Microscope Unit, Assiut University.

George Nassif Abdalla
