Dedication

To my parents who always picked me up on time and encouraged me to go on.

“All that I am, I owe to you”.

Engineer Said Abd El-Lateef and Mrs. Samira Soliman

To my husband who believed in me, for his patience, support, and guidance.

“Without you, I would have never made it”.

Professor Khaled Mohamed Dewidar

*To my beloved daughter **Mennah**.*

“I hope my experience will inspire you to reach the stars”.

Also, this study is dedicated to all whom would never give in and who believe that to give is much better than to take.
