Ain Shams University Women's College for Arts, Science & Education Department of Zoology

Ameliorating and Protective Potential of Chitosan against Thioacetamide- Induced Hepatotoxicity in Male Albino Rats

A Thesis Submitted to Women's College, Ain Shams University For Ph.D. Degree in Science

By

Shereen Mahmoud Mohamed Ibrahim Yahya

M.Sc. (Molecular biology), Zoology Department Education Faculty- Ain Shams University

Under Supervision of

Prof. Dr/ Rokaya Hussien Ahmed Shalaby

Professor of Molecular Biology and Cytogenetics Zoology Department, Women's College Ain Shams University

Prof. Dr/

Fathia Abd Elwahid Mannaa Professor of Medical Physiology, Medical Physiology Department, National Research Centre

Dr.

Shereen Hassan Badawy Elwakeel Lecturer in Zoology Department, Women's College, Ain Shams University Prof. Dr/

Khaled G Abdel-Wahhab Professor of Medical Physiology, Medical Physiology Department, National Research Centre

Dr.

Noura Rady Mohamed Ibrahim Lecturer in Zoology Department, Women's College, Ain Shams University

Ain Shams University
Women's College for Arts, Science & Education
Zoology Department

APPROVAL SHEET

Name : Shereen Mahmoud Mohamed Ibrahim Yahya

Scientific Degree : Ph.D. Degree in Science

Title : Ameliorating and Protective Potential of Chitosan

Against Thioacetamide- Induced Hepatotoxicity in

Male Albino Rats

Supervisors Approval

Prof. Dr. Rokaya Hussien Ahmed Shalaby

Professor of Molecular Biology and Cytogenetics, Zoology Department, Women's College, Ain Shams University

Prof. Dr. Fathia Abd Elwahid Mannaa

Professor of Medical Physiology, Medical Physiology Department, National research centre

Prof.Dr. Khaled Gamal El- Din Mohamed

Professor of Medical Physiology, Medical Physiology Department, National research centre

Dr. Shereen Hassan Badawy Elwakeel

Lecturer in Zoology Department Women's College, Ain Shams University

Dr. Noura Rady Mohamed Ibrahim

Lecturer in Zoology Department Women's College, Ain Shams University

QUALIFICATION

Name : Shereen Mahmoud Mohamed Ibrahim Yahya

Scientific Degree : M.Sc.

Department : Zoology

College : Faculty of Science and Education

University : Helwan University

Graduation Year : May 2004

ACKNOWLEDGEMENT

At the beginning and first of all, I would like to present my obedience and all praise to Allah, who granted me the ability, support and all reasons of success to accomplish this work.

No words seem to be sufficient to describe the deep gratitude and appreciation that I feel towards **Prof. Dr. Rokaya Hussien Ahmed Shalaby**, Professor of Molecular Biology and Cytogenetics, Women's College for Arts, Science and Education, Ain Shams University, for her valuable advice, patience and Faithfull supervision of every item and all steps of this work. She helped me to overcome many difficulties throughout the work. To work under her supervision has been a great honour.

I wish to express my sincere thanks and gratitude to **Prof. Dr. Fathia Abd Elwahid Mannaa,** Professor of Medical Physiology, Medical Physiology Departmen, National Research Centre, for her continuous help and advice, I am really indebted to her for her unlimited support and kind encouragement during this work.

I would like to express my sincere gratitude to **Prof. Dr. Khaled Gamal El- Din Mohamed,** Professor of Medical Physiology, Medical Physiology Departmen, National Research Centre, for his unlimited support, valuable help and expert advice throughout this study.

I am also greatly indepted to **Dr. Shereen Hassan Badawy Elwakeel,** Lecturer in Zoology Department, Women's College, Ain Shams University, and **Dr. Noura Rady Mohamed Ibrahim,** Lecturer in Zoology Department,

Women's College, Ain Shams University, for their help and support during this work.

It is a great honor for me to express feelings and sincere gratitude to **Prof. Dr. Shymaa Mahmoud Mohamed Yahya**, Professor of Molecular Biology, Hormones Department, National Research Centre, for granting me the privilege of working under her continuous encouragement throughout this work.

With great pleasure, I would like to express my deep thanks to the staff members of Zoology Department, Women's College for Arts, Science and Education, Ain Shams University, for their encouragement to carry out this work.

I feel great honor to express my deepest gratitude and thankfulness feelings to my parents for their devotion and support for his great efforts and encouragement.

Shereen Mahmoud
