ACKNOWLEDGEMENT

Firstly, I am greatly thankful to "**ALLAH**" who gives everything to me.

I am deeply indebted to express my deep thanks and gratitude to **Prof. Dr. Fayez N. Kiroloss**, Professor of Internal Medicine, Faculty of Veterinary Medicine, Zagazig University, whose constructive encouragement, unforgettable help and precious time given to me were behind the accomplishment of this work.

Also my deep thanks and gratitude to **Prof. Dr. Ahmed M.W. El-Kabbany**, Professor of Internal Medicine, Faculty of Veterinary Medicine, Zagazig University, for faithful help, sincere guidance that facilitated the completion of this work. I felt great honor to work under his kind supervision.

My sincere gratitude to **Dr. Mohga Shawkat Zaki**, Senior Researcher, Animal Health Research Institute, Zagazig for her kind help and support.

My profound thanks and obligation to all the staff members of Internal Medicine, Dept. Faculty of Veterinary Medicine, Zagazig University, for their valuable help and continuous encouragement.
