A Randomized Controlled Trial to Study the Effect of Energy Reduced Diet rich in Calcium on Weight Loss Among Obese Egyptian Females Attending Obesity Management Clinic at National Nutrition Institute

Thesis

*Submitted for Partial Fulfillment of M.D. Degree in
Public Health and Community Medicine*

By

Ola Shawky Ahmed
(M.B., B. Ch., M.Sc.)

Supervisors

Prof. Samia Ismail El-Damaty

*Professor of Public Health in Community,
Environmental and Occupational Medicine Department
Faculty of Medicine, Ain Shams University*

Prof. Maysa Ahmed Samy

*Professor of Public Health and Community Medicine
National Nutrition Institute*

Prof. Dina Nabih Kamel Boulos

*Professor of Public Health in Community,
Environmental and Occupational Medicine Department
Faculty of Medicine, Ain Shams University*

Dr. Dalia Gaber Sos

*Assistant Professor of Epidemiology in Community,
Environmental and Occupational Medicine Department
Faculty of Medicine, Ain Shams University*

Faculty of Medicine - Ain Shams University

2021

Acknowledgment

*First and foremost, thanks to **ALLAH**, the most merciful and compassionate, who permitted the completion of this piece of work.*

I would like to express my deepest gratitude and thanks to everyone that helped, encouraged and believed in the value of this piece of work.

*Foremost, I would like to express my sincere appreciation to **Prof. Samia Ismail El-Damaty**, Professor of Public Health in Community, Environmental and Occupational Medicine Department Faculty of Medicine, Ain Shams University as a supervisor of this work and her great help of supervision. No word can fulfill the feeling of gratitude and respect I carry for her.*

*I would like to express my sincere thanks to **Prof. Dina Nabih Kamel Boulos**, Professor of Public Health in Community, Environmental and Occupational Medicine Department, Faculty of Medicine, Ain Shams University for his continuous work, wise advice, cooperation and patience through this work.*

*I would like to express my deepest thanks to my dearest **Dr. Dalia Gaber Sos**, Assistant Professor of Epidemiology in Community, Environmental and Occupational Medicine Department Faculty of Medicine, Ain Shams University for her great help of supervision & continuous encouragement.*

*I also deeply thank **Prof. Maysa Ahmed Samy**, Professor of Public Health and Community Medicine, National Nutrition Institute for her great support, no word can describe her attitude with me.*

At last, but definitely not least, I would like to thank my entire family for their support and encouragement. No dedication can match theirs. Specially my husband and my children.

Ola Shawky Ahmed
