Risk factors and outcome of pregnant women with thrombotic microangiopathy in Ain Shams University Maternity Hospital within 5 years duration

Thesis

Submitted for Partial Fulfillment of MD
in Obstetrics & Gynecology

By

Mostafa Mohamed Othman Mossa Helal

Assistant Lecturer of Obstetrics and Gynecology
Master of Obstetrics and Gynecology
Faculty of Medicine – Ain Shams University (2018)

Under Supervision of

Prof. Dr. Ahmed Ramy Mohamed Ramy

Professor of Obstetrics & Gynaecology
Ain Shams University

Assist. Prof. Dr. Rania Magdy Mohamed Ali

Assistant Professor of Anesthesia, Intensive Care and Pain Management
Ain Shams University

Assist. Prof. Dr. Rehab Mohamed Abdelrahman

Assistant Professor of Obstetrics & Gynaecology
Ain Shams University

Dr. Hany Zaki Vector

Lecturer of Anesthesia, Intensive Care and Pain Management
Ain Shams University

Dr. Ahmed Gamal Abdelnasser

Lecturer of Obstetrics & Gynaecology
Ain Shams University

**Faculty of Medicine
Ain Shams University**

2020

صدق الله العظيم

سورة البقرة الآية: ٣٢

Acknowledgments

First and foremost, I feel always indebted to **Allah**, the **Most Beneficent and Merciful** who gave me the strength to accomplish this work,

My deepest gratitude to **Prof. Dr. Ahmed Ramy Mohamed Ramy**, Professor of Obstetrics & Gynaecology, Ain Shams University, for his valuable guidance and expert supervision, in addition to his great deal of support and encouragement. I really have the honor to complete this work under his supervision.

I would like to express my great and deep appreciation and thanks to **Assist. Prof. Dr. Rania Magdy Mohamed Ali**, Assistant Professor of Anesthesia, Intensive care and Pain Management, Ain Shams University, for her meticulous supervision, and her patience in reviewing and correcting this work,

I must express my deepest thanks to **Assist. Prof. Dr. Rehab Mohamed Abdelrahman**, Assistant Professor of Obstetrics & Gynaecology, Ain Shams University, for guiding me throughout this work and for granting me much of her time. I greatly appreciate her efforts.

I can't forget to thank with all appreciation **Dr. Hany Zaki Vector**, Lecturer of Anesthesia, Intensive care and Pain Management, Ain Shams University, whom tirelessly and freely gave comments on various drafts of this piece of work,

Last but not least, all thanks and appreciation to **Dr. Ahmed Gamal Abdelnasser**, Lecturer of Obstetrics & Gynaecology, Ain Shams University, for the efforts and time he has devoted to accomplish this work,

Special thanks to my **Parents**, my **Wife** and all my **Family** members for their continuous encouragement, enduring me and standing by me.

 **Mostafa Mohamed Othman Mossa Helal**

Arabic Summary	—

List of Abbreviations

<i>Abbr.</i>	<i>Full-term</i>
ACOG	: American College of Obstetricians and Gynecologists
AFLP	: Acute fatty liver of pregnancy
AFLP	: Acute fatty liver of pregnancy
ALT	: Alanine amino-transferase
APLS	: Antiphospholipid syndrome (catastrophic)
ARDS	: Adult respiratory distress syndrome
AST	: Aspartate aminotransferase
BP	: Blood pressure
CBC	: Complete blood cell
CMP	: Complete metabolic panel
COCP	: Combined oral contraceptive pill
CT	: Computed tomography
DIC	: Disseminated intravascular coagulation
ESRD	: End-stage renal disease
FDA	: Food and Drug Administration
HAART	: Highly active antiretroviral therapy
HBP	: Hypertension
HELLP	: Haemolysis, elevated liver enzymes, low platelets
HIV	: Human immunodeficiency virus
HUS	: Hemolyticuremic syndrome
IgG	: Immunoglobulin G

LDH	: Lactate dehydrogenase
MAHA	: Micro-angiopathic hemolytic anemia
PET	: Pre-eclampsia
PT	: Prothrombin time
SD	: Standard deviation
SLE	: Systemic lupus erythematosus
SPSS	: Statistical Package for Social Sciences
Stx-HUS	: Shiga toxin–associated hemolytic-uremia syndrome
sVEGFR	: Soluble vascular endothelial growth factor receptor
TMA	: Thrombotic microangiopathy
TTP	: Thrombotic thrombocytopenic purpura
ULVWF	: Ultra large multimers of VWF
VEGF	: Vascular endothelial growth factor
VWF	: von Willebrand factor
