Acknowledgement

First and foremost, thanks are due to Allah the Beneficent and Merciful.

*I am deeply thankful and grateful to **Prof. Dr. Noha Samir Kabil**, Professor of Pediatric Dentistry and Dental Public Health, Faculty of Dentistry, Ain Shams University, and Head of Pediatric Dentistry Department at British University in Egypt for her continuous guidance and support and for always backing me up & believing in my abilities when I needed it the most. Her role was not limited to scientific and research supervision; her sincere care was the most encouraging to overcome the obstacles I faced during various stages and pursue my work passionately.*

*I would also like to express my sincere appreciation and thanks to **Dr. Reham Khaled Abou El Fadl**, Associate Professor of Pediatric Dentistry, Dental Public Health, Faculty of Dentistry, Ain Shams University, for her day-to-day instruction, her valuable input, time, her care and support from the beginning of my masters and all what she has taught me throughout the writing process, and clinical procedures.*

*I must express my profound gratitude to **Dr. Aly Fahmy** for providing me with endless support throughout my journey. I could not have accomplished my research without his guidance.*

I would also like to deeply thank my dear professors, colleagues and staff members of Pediatric Dentistry, Dental Public Health and Community Department, Faculty of Dentistry, Ain Shams University, for their great support, and cooperation throughout my journey in the Department.

My deepest thanks and gratitude to all the children and their caretakers who participated in this study and their valuable cooperation.

*I would like to thank my colleagues and friends including but not limited to **Sara Adel, Sara Magdi, Omar Hodhod and Eman Abu Bakr** for their great efforts and contributions to this research.*

Dedication

This work is dedicated to

My family and friends

*for providing me with unfailing support and
continuous encouragement throughout
my studies.*

*This accomplishment would not have been
possible without them.*

Thank you
