بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

Handwritten Arabic calligraphy in a stylized, bold script. The text is arranged in a circular or semi-circular pattern. The words are: بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ. The calligraphy features thick black lines and includes several small numbers (1, 2, 3) and arrows indicating stroke direction and order. A signature and date are visible at the bottom left of the calligraphic element.

ACKNOWLEDGMENTS

I start by thanking God for His help during all stages of this work, as a little part of His generous help throughout our life.

I am deeply indebted to Prof. Dr. Shadia Abd-Elkader Hassan, Professor of Maternal and Newborn Health Nursing, Faculty of Nursing, Cairo University, for her precious help, constant support, constructive criticism and valuable supervision for the perfection of this work.

Sincere appreciations and thanks are forwarded to Prof. Dr. Mohamed Adel Elsaid, Professor of Obstetrics and Gynecology, Faculty of Medicine, Menoufiya University, for his supervision, faithful guidance, generous advice, and continuous encouragement in completing this work.

My sincere gratefulness and thanks are also due to Dr. Enas Kassem Ali Kassem, Lecturer of Maternal and Child Health Nursing, Faculty of Nursing, Menoufiya University, for her continuous support, guidance and supervision throughout this work. I am indebted to her valuable counseling and direction.

Finally, I wish to extend my thanks to all those who directly or indirectly helped me in fulfilling this study.
