Acknowledgement

First and foremost, thanks are due to *ALLAH*.

It is a great honor for me to take this opportunity to express my deepest gratitude to **Prof. Dr. Bothina Labib Mahmoud, Prof. and Head of Histology Depart., Faculty of Medicine, Menofiya University**, for selection of this subject, expert guidance, continuous keen supervision, valuable advise and generous encouragement and support offered to me throughout this work. Without her great effort, time given and scientific experience, this work would not come out.

I would like to express my greatest appreciation and thanks to **Dr. Ahmed Abou Zeid Ali, Assist. Prof. of Histology, Faculty of Medicine, Menofiya University**, for his kind supervision and helpful guidance throughout this work.

It is a duty to express my special sincere thanks and deepest gratitude to **Dr. Magda Ahmed Mansour, Lecturer of Histology, Faculty of Medicine, Menofiya University**, for her valuable planning, keen interest and kind advice and cooperation throughout the whole steps of this work.

I am deeply grateful to my colleagues in the histology department, Faculty of Medicine, Menofiya University, for their kind help and encouragement.

Thanks are extended to every one helped me in this work.
