Acknowledgment

I would like to thank ***Dr. Mohamad Nabil Mahmoud Saleh***, The professor and Head of the Anatomy Department, Faculty of Medicine, Assiut University for suggesting the topic of the research and continuous help in analyzing the data of the study.

I am indebted to ***Dr. Sayed Anwar Sayed***, professor of Anatomy, Faculty of Medicine Assiut University for his great help and criticism in revising and preparing this manuscript.

I would like to express my gratitude to ***Dr. Mohamed Tharwat Mahmoud***, professor of Diagnostic Radiology, Faculty of Medicine, South Valley University for his help in the use of the sonographic equipment. His generous effort had assisted me to present the material and results of the present study.

My thanks to the all members of Anatomy Department, faculty of medicine, Assiut University for their encouragement and support.

Nassar Ayoub
