بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

قالوا

لَسْبَدَّانِكَ لَا عِلْمَ لَنَا
إِلَّا مَا عَلَّمْتَنَا إِنَّكَ أَنْتَ
الْعَلِيمُ الْعَظِيمُ

صدق الله العظيم

سورة البقرة الآية: ٣٢

Acknowledgments

*First and foremost, I feel always indebted to **Allah**, the Most Beneficent and Merciful.*

*I wish to express my deepest gratitude and thanks to **Prof. Dr. Sahar Mahmoud**, Professor of Psychiatric-Mental Health Nursing, Faculty of Nursing- Ain Shams University, for her irreplaceable encouragement, her expertise and her great directions all through the work.*

*My most sincere gratitude is also extended to **Dr. Hoda Sayed Mohamad** Lecturer of Psychiatric-Mental Health Nursing, Faculty of Nursing- Ain Shams University, , for her precious help and fruitful guidance.*

Dedication

To mom, the woman who made me the person i am today.. you're the reason why i still fight, to dad.. thank you for always believing in me, to my sisters Nesma & Sema.. you are my forever friends, and for uncle Saad and aunt Maha for their endless caring, love and support.. i owe you a lot.

LIST OF CONTENTS

Title	Page No.
List of Contents	i
List of Tables	iii
List of Figures	iv
Introduction	1
Aim of the study	5
REVIEW OF LITERATURE	6
Overview of Chronic Renal Failure and Hemodialysis.....	6
□ Overview about Hemodialysis:	6
□ Healthy Kidneys' functions:	7
□ Chronic Kidney Disease:	8
□ End-stage Renal Disease:	8
□ Epidemiology of ESRD:.....	9
□ Treatment modalities for End-Stage Renal Disease:	9
Burden of Hemodialysis on the patients.....	11
□ Physical impact of hemodialysis:	11
IFood and fluid limitations:	12
IIImmobilization:.....	12
IIIPain:	13
IVFatigue:	14
V. Malnutrition and anemia:.....	14
VISleep Disorders:	15
VIISexual Dysfunction:.....	16
□ Behavioral impact of hemodialysis:	17
Compliance and adherence:	17
□ Social impact of hemodialysis:	19
□ Psychological impact of hemodialysis:	21
I. Self-esteem:	21
II. Anxiety:	23
III. Dialysis-related Depression:.....	25
Psychological well-being of hemodialysis patients	28
□ Definition of psychological well-being:	28
□ Types of psychological well-being:	29
I Evaluative well-being:.....	29
II Hedonic well-being:.....	30
III. Eudemonic well-being:.....	30
□ Dimensions of psychological well-being:	31
IV. Self-Acceptance:	31
V Positive Relations with others:	32

VI Environmental Mastery:	33
I. Autonomy:	34
II. Purpose in Life:	34
III Personal Growth:	35
Importance of psychological well-being for hemodialysis patients: .	36
Locus of control among hemodialysis patients	38
Definition of locus of control:	38
Development of locus of control:	39
I. Social learning theory:	39
II. Attribution theory:	41
III. Jullian Rotter theory:	41
Types of locus of control:	42
I. Internal locus of control:	42
II. External locus of control:	43
Significance of locus of control:	43
Locus of control among hemodialysis patients:	45
The relationship between locus of control and psychological well-being among hemodialysis patients.....	46
Nursing toward hemodialysis patients	49
Nursing care for patients during hemodialysis session:	56
SUBJECTS AND METHODS	60
RESULTS	72
Discussion.....	88
Conclusion and Recommendations	116
Summary	118
Reference	125
الملخص العربي	1

LIST OF TABLES

Table No.	Title	Page No.
Table (1):	Number and percentage distribution of hemodialysis patients according to their socio-demographic characteristics and clinical data (N=100).....	73
Table (2):	Number and percentage distribution of hemodialysis patients according to their Health Locus of Control Scale "Internal locus of control" (N=100).	75
Table (3):	Number and percentage distribution of hemodialysis patients according to their Health Locus of Control Scale "chance locus of control" (N=100).....	76
Table (4):	Number and percentage distribution of hemodialysis patients according to their Health Locus of Control Scale "powerful others locus of control" (N=100).	77
Table (5):	Distribution of hemodialysis patients according to their health locus of control Scale " level of total health locus of control scale" I. (N=100).	78
Table (6):	Number and percentage distribution of hemodialysis patients according to their Psychological well-being scale "autonomy and environmental mastery" (N=100).	79
Table (7):	Number and percentage distribution of hemodialysis patients according to their Psychological well-being scale "Personal growth and positive relations with others" (N=100).....	80
Table (8):	Number and percentage distribution of hemodialysis patients according to their Psychological well-being scale "Purpose in life and self-acceptance" (N=100).....	82
Table (9):	Number and percentage distribution of hemodialysis patients according to their level of Psychological well-being scale (N=100).....	83
Table (10):	Correlation between hemodialysis patients total score psychological well-being scale and their total score health locus of control scale (n=100).	84
Table (11):	Comparing means of different socio-demographic characteristics and clinical data as regarded to health locus of control.	85
Table (12):	Comparing means of different socio-demographic characteristics and clinical data as regarded to psychological well-being among hemodialysis patients.	86
