ACKNOWLEDGMENT

All gratitude is due to ALLAH, who made this success possible and affordable. No words can ever express my thanks to all the people who contributed to fulfillment of this work.

I was proud to work under the supervision of Prof. Dr. Salwa El-Jamal, Cairo University. I wish to express my sincere thanks for her valuable advice, extensive assistance, constructive ideas and encouragement during this work.

I was honoured to work under the supervision of Dr. Imane Aly Saroiat, Cairo University, I wish to express my thanks and appreciation to her for the supervision, useful assistance and guidance during the study and fulfillment of this work.

A special acknowledgment and deepest thanks is due to Dr. Tarek Abdel Mageed, for his valuable help, valuable effort, inspiration, constructive discussion and encouragement for me to present this work in this form.

I wish also to express my gratitude to the head and staff members of the computer science department for their assistance and kind help.

Finally, I would like to mention the major role of my parents, my sister, and my brothers.
