ACKNOWLEDGMENT

First of all and above all thanks to *God* for helping me to accomplish this work.

I would like to express my deepest gratitude and sincere appreciation to my *prof. Dr. Dalal Khalil Eshra*, Prof. of Nursing Education and Dean of Faculty of Nursing, Menoufiay University for initiating this work, guidance, encouragement, fruitful criticism and unlimited help that paved my way and encourage to accomplishment of this work.

I am deeply grateful to *Prof. Dr. Bahaa El-Dean El-Serwi*, Professor of Orthopaedic Surgery, Faculty of Medicine, Menoufyia University, for his precious help, valuable instructions, intensive support and continuous encouragement to complete this work.

I am particularly grateful to *Prof. Dr. Magda M. Mohsen*, Professor of Community Nursing, Faculty of Nursing, Menoufyia University, for her precious help, guidance, intensive support, fruitful criticism and close supervision to completing this work.

I wish to express my deep appreciation and profound respect to *Dr. Khairia Abou-Bakr El-Sawi*, Assistant Professor of Medical Surgical Nursing, Faculty of Nursing, Cairo University, who had always been available and ready to devote much of her time, effort, close supervision, constructive criticism and expressed so much sincere care for this work. Her kind supervision and concern are very deeply appreciated.

I wish to express my heartfelt deepest regards and gratitude to *Dr. Amal A. Hessien* for her guidance and encouragement in the preparation of this work.

Best regards are also extended to all nurses and patients who agreed to participate, to all staff and librarians in Faculty of Nursing, Menoufyia University.

I am deeply grateful for *my husband and my family* for their support and encourage during all of my life's study. I am quite grateful to all who helped me to accomplishment of this work.
