## Acknowledgements

*First, and foremost, my deepest gratitude and thanks should be offered to "**ALLAH**", the most kind and most merciful, for giving me the strength to complete this work,*

*I acknowledge with much gratitude to **Dr. Hanaa Abdel Hakim Ahmed**, Prof. of Community Health Nursing, Head of department Community Health Nursing, Faculty of Nursing – Ain Shams University, for her great supervision and unlimited help to provide all facilities to accomplish this work,*

*I would like to express my sincere gratitude to **Dr. Magda Abd El Sattar Ahmed**, Prof. of Community Health Nursing, Faculty of Nursing – Ain Shams University, for her continuous support and guidance for me to present this work. I'm really honored to work under her generous supervision.*

*I do not forget to thank my **dear colleagues** who eased me the trouble of emigration by their love and support; they have very much thanks and greetings.*

*Also, I would like to thank all **postpartum women** who participated in this work,*

 **Amany Abd El-Fatah Omran**

*My sincere* tribute and gratitude to my *Father* who helped me a lot in completing this work and my *Mother* for their great support.

*Particular gratitude* goes to my *Brother, Sisters and all my Family* who paved my way through their tolerance and devotion.
