**EFFECT OF SOME HEAVY METALS  
AND PESTICIDES ON SOME ORGANS  
OF THE FRESHWATER SHRIMP  
(*Caridina nilotica*)**

**Thesis**

**Submitted to Faculty of Science, Tanta University  
In partial fulfilment of the requirements for the  
degree of Master of Science "Zoology"**

**Presented by**

*Eman Mahmoud Mahmoud Morsy*

**B.Sc.**

**( Zoology, Tanta University 1993)**

**Zoology Department**

**Faculty of Science**

**Tanta University**

**1997**

*To Whom I Love*

**My Father, My Mother**

**My Brother, Mohamed**

**My Sisters & her's Husbands**

## **CURRICULUM VITAE**

**Name** : *Eman Mahmoud Mahmoud Morsy*

**Birth date** : 17/12/ 1971

**Locality** : (51) Al- Hegazy St., Tanta

**Nationality** : Egyptian

**Primary School** : El - Tawfekia Primary School.

**Preparatory School** : Tanta Preparatory School .

**Secondary School** : Tantat Secondary School.

### **Qualifications :**

B.Sc. in Zoology, May, 1993 with a final grade " Very good" ,  
Faculty of Science, Tanta University . Attended and passed  
successfully the post graduate courses in partial fulfilment of  
M.Sc.(1995).

**Tanta University**

**Faculty of Science**

**Zoology Department**

---

**To whome it may concern**

This is certify that **Eman Mahmoud Mahmoud Morsy** had attended and passed successfully the following postgraduate courses as a partial fulfilment of the requirements for the degree of Master of Science (Zoology) during the academic year 1994-1995.

- 1- Comparative anatomy of Invertebrates.
- 2- Invertebrate Evolution.
- 3- Embryology of Invertebrates.
- 4- Biological statistics.
- 5- German language.

***This certificate is issued at her own request.***

**Head of Zoology Department**

**Prof. Dr.**

**Bayoumi Mohamed Bayoumi**

**Supervisors**

*Prof. Dr. Mohamed Hassan Mona*

**Prof. of Invertebrates, Zoology Dept.,  
and Vice Dean of Faculty of Science  
Tanta University**

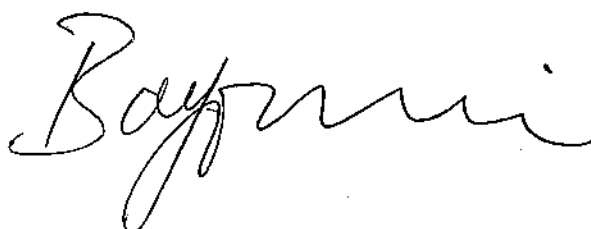

*Dr. Khadiga Morsy Sharshar*

**Lecturer of Invertebrates,  
Zoology Department  
Faculty of Science  
Tanta University**

**Head of Zoology Dept.**

**Prof. Dr.**

*Bayoumi Mohamed Bayoumi*

## **ACKNOWLEDGEMENT**

First I am deeply thankful to *Allah* by the grace whom the progress and success of this work was possible.

I am grateful to **Prof.Dr.Bayoumi Mohamed Bayoumi**, Head of Zoology Department, Faculty of Science, Tanta University for his continuous encouragement. He provided all facilities all over the work.

It is a pleasure to record my deepest appreciation to **Prof.Dr.Mohamed Hassan Mona**, Professor of Invertebrates and Vice Dean of Faculty of Science, Tanta University for suggesting the point of research, keen supervision, tutorial guidance, continuous encouragement, reading the manuscript and suggesting corrections and improvements as well as his constructive comment through out this work.

My deepest gratitude to **Dr.Khadiga Morsy Sharshar** Lecturer of Invertebrates , Zoology Department, Faculty of Science, Tanta University for her honest supervision, sharing in suggestion the topic of research, reading the manuscript and her helpful guidance through the whole stages of this work.

I would like to acknowledge the **Staff Members of Electron Micsoscope** unit in Alexandria University for their assistance with kindly facilities during the work.

*I would especially like to thank my **Brother Eng. Mohamed** for his guidance in the Computer Program.*

*Best thanks to all **Scientific and Technical Staff of Central Laboratory of Tanta University and the Staff Members of Zoology Department, Faculty of Science, Tanta University** for their Co-operation and great facilities.*

## CHAPTER (I) : INTRODUCTION AND AIM OF THE WORK

|                         |   |
|-------------------------|---|
| □ Introduction .....    | 1 |
| □ Aim of the work ..... | 6 |

## CHAPTER (II) : Materials and Methods

|  |    |
|--|----|
| 1- Sites of collection .....   | 7  |
| 2- Methods of collection .....                                       | 7  |
| 3- Culture of shrimps .....  | 8  |
| 4- Estimation the heavy metals .....                                 | 8  |
| 5- Determination the toxicity of cadmium and copper on shrimps ..... | 9  |
| 6- Whole- mount investigation .....                                  | 11 |
| 7- Histological investigation .....                                  | 11 |
| 8- Ultrastructure investigation .....                                | 12 |
| 9- Investigation the effect of pesticides .....                      | 13 |

## CHAPTER (III) : Estimation of heavy metals on some organs of *Caridina nilotica*

|  |    |
|--|----|
| □ Introduction and hisotrical review ..... | 16 |
| □ Results .....                            | 20 |
| □ Discussion .....                         | 23 |

## CHAPTER (IV) : Effect of cadmium and copper on some organs of *Caridina nilotica*

|  |    |
|--|----|
| □ Introduction and hisotrical review ..... | 27 |
| □ Results                                  |    |
| - Response to the toxicity .....           | 31 |

|   | Page |
|---|------|
| -Histological observation :.....        | 32   |
| 1- The alimentary tract :.....          | 32   |
| a) The foregut ( pyloric stomach) ..... | 32   |
| b) The midgut ( Hepatopancreas) .....   | 34   |
| c) The hindgut.....                     | 37   |
| 2- The ovary.....                       | 39   |
| 3- Gills .....                          | 40   |

**CHAPTER (V): Histological and ultrastructural observations  
on the effect of cadmium on the gills of  
*Caridina nilotica***

|   |    |
|---|----|
| □ Introduction and historical review .....              | 47 |
| □ Results   |    |
| - Electron microscope examination of normal gills ..... | 51 |
| - Light microscope observation of treated gills.....    | 53 |
| - Electron microscope observation of treated gills..... | 54 |
| □ Discussion .....                                      | 56 |

**CHAPTER (VI):Effect of some pesticides on the *Caridina  
nilotica***

|   |    |
|---|----|
| □ Introduction and hisotrical review..... | 60 |
| □ Results .....                           | 63 |
| □ Discussion.....                         | 66 |

**CHAPTER (VII) : Summary .....** 69

**CHAPTER (VIII) : References.....** 75
