ACKNOWLEDGEMENT

Firstly, my unlimited thanks to "Allah"

The writer wishes to express his sincere appreciation and deepest gratitude to **Prof. Dr. Y. S. Katta**, Professor of Crop Sci. and Statistics, Fac. of Agric., Kafr El-Sheikh, Tanta Univ. for suggesting the problem, his valuable guidance, supervision through the course of investigation, his help in statistical analysis and for his great help in preparing and reviewing the manuscript of this work.

Special thanks and deep appreciations are also due to **Prof. Dr. M. A. El-Borai**, Head of Section, Food Legumes Research Section, Field Crops Research Institute, Agric. Res. Center, For Providing Facilities and materials and help in field research and offering guidance.

Gratitude is due to **Dr. M.S. Abd El-Aty**, Associate Prof. of Crop Science, Faculty of Agriculture, Kafr El-Sheikh, Tanta University for his supervision of this manuscript, guidance and great help.

I would like to thank **Prof. Dr. M. I. Amer**, Head of Research, Food Legumes Research Section, Field Crops Research Institute, Agric. Res. Center, for his help and providing me with the necessary information.

Sincere tanks are also due to staff members of **Food Legume Department** at Sakha Agriculture Research Station for their help and encouragement though all stags of this work.

Finally, many thank my **Father**, my **Mother**, my brothers **Nashat**, **Mohamed** and **Saber** , my Fiancée **Ola** and Wife my brother **Nama** for their help, sacrifices, sincere encouragement and support during the study.
