ACKNOWLEDGEMENT

Thanks for **ALLAH** for giving me the power and help to carry out this work. Words stand short when they come to express my gratefulness to my supervisors.

I wish to express my sincere gratitude and thanks to **PROF. DR. ABD EL AZIZ ABBAS TAALAB**, Professor of General Surgery, Faculty of Medicine, Menoufiya University, for his remarkable effort, considerable help and continuous guidance which were the major factors behind the completion of this work. My deep gratitude goes to his faithful supervision, great cooperation and his meticulous revision of this work.

I am deeply indepted to **PROF. DR. AWATEF EL SAYED FARGHALY**, Professor of General Surgery, Faculty of Medicine, Menoufiya University, for her extreme patience, been supervision, she generously offered a great help through her experience, support and encouragement.

My deep gratitude goes for **ASSIST. PROF. DR. AHMED FARAG EL KASED**, Assistant Professor of General Surgery, Faculty of Medicine, Menoufiya University, for his constant support, valuable advice and remarks that have been of utmost help.

I am extremely indepted to **PROF. DR. MAHMOUD BADAWI IBRAHIM**. Prof. and Head of General Surgery Department, Faculty of Medicine, Menoufiya University., **OUR STAFF and MY COLLEAGUES** for their continuous help, recommendations and their great enthusiastic advice throught the work.

No words can justify and no expressions can help in presenting my cardinal feelings and gratitude to my family for their kind encouragement throughout this work.

Lastly, I hope that I represented a good, useful and scientific work to my colleagues.

Moharram Abd El Samie
